Message from the President . . .

Welcome to ILR (Institute for Learning in Retirement) where you keep your mind active and friendships intact.

The Spring 2001 classes will be held at the Bradley University Robert H. Michel Student Center on Wednesdays, April 11, 18, 25 and May 2. The kick off luncheon will be on Tuesday, March 20 with Lori Winters, Executive Director of Bradley's Alumni Relations, as guest speaker.

The Curriculum Committee, chaired by Peggy Cornelius, has again scheduled an outstanding selection of classes and class leaders. The classes include such diverse subjects as Peoria sports, Peoria art, and Peoria roads; music, investing, religion, painting, Van Gogh, gardening, staying fit, DNA, play reading and much much more.

We are thankful for the excellent support given us by Bradley University. This was evident again last fall as the new Bradley President, Dr. David Broski, was our kickoff luncheon speaker. This continues throughout the year with fabulous support from the Continuing Education staff.

We are members of EIN, Elderhostel Institute Network, an affiliate of Elderhostel.

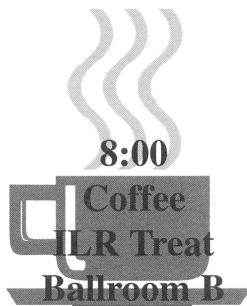

Please tell your friends about ILR. Just call the above number and add their name(s) to the mailing list and we will send out this brochure.

On a personal note, I wish to thank you, the ILR members, for the privilege of serving as your president since last May. The great participation of all the volunteers with their vast array of knowledge and contacts, makes the job fun as well as fulfilling. Thank you!

Alf Berg, President

ILR Classes: Wednesdays, April 11, 18, 25 & May 2

(R) = Repeat Class (NM) = New Material (N) = New Class

Commerce Unseen

New travel opportunities take us into unseen and often overlooked businesses within our own community. All of our explorations include noon lunch and travel in a Bradley passenger van. We return to campus about 3:30. Register early as space is limited!

The Federal Correction Institution located in Pekin is our first area of investigation on Tuesday, March 13. Join us for a tour including the prison metal factory, housing and medical units, recreation and education departments, plus receiving and discharge areas.

Continue our adventures on March 27 with the Peoria Civic Center. We'll have an up close and behind the scenes tour of the arena, exhibit halls, theater and catering department.

Our final area of unseen commerce is the Caterpillar Morton Distribution Center. Enjoy a ride on their carts to tour the warehouse, view the high rise automated storage system and Met Lab.

Each tour includes lunch and van transportation. Park in Bradley's visitor lot and join us for noon lunch at Avanti's prior to each tour.

ADM - Archer Daniels Midland Company

Nearly a century ago, the Archer Daniels Midland Company started with a single flax processing plant in the American Midwest. Today ADM is a major international company with processing, storage, transportation, and sales offices worldwide. The story of ADM's growth is the story of 20th-century business: a global network serving a global marketplace. We will hear that story, visit a hydrofarm, explore a biochem building, and tour other facilities in Decatur. Larry Cunningham, ADM's Senior Vice President for Corporate Affairs will be our host.

Cost: \$ 35.00 includes tour, lunch and Peoria Charter Coach Transportation. Please register by March 23, 2001. We will leave at 7:00 a.m. from Westminster Church (1420 W. Moss) and return in the late afternoon. Jon Neidy and Deana Beata will be your escorts.

St. Louis Art Museum

The Saint Louis Art Museum's exhibition, *Vincent van Gogh and the Painters of the Petit Boulevard*, features 70 paintings and works on paper by Vincent van Gogh and his contemporaries. The show takes a new look at Van Gogh's interaction with these artists, all of whom were associated with the various avant-garde movements in Paris in the late 1880s. He identified these artists as the painters of the "petit boulevard," a term that reflected their desire to distinguish themselves from the more established Impressionists, the painters of the "grand boulevard."

Cost: \$ 75.00 includes tour, exhibition ticket, lunch and Peoria Charter Coach Transportation. We will leave at 8:00 a.m. from Westminster Church (1420 W. Moss) and return early evening. Janet Lange and Lee Ann Kriegshauser will be your escorts.

Argonne National Labs

Argonne National Laboratory is one of the U.S. Department of Energy's largest research centers. It is also the nation's first national laboratory. While there we will meet with a lead researcher who focuses on Superconductivity. Argonne holds the nation's largest publicly funded research and development program on superconductors.

Cost: \$ 50.00 includes tour, lunch and Peoria Charter Coach Transportation. We will leave at 9:00 a.m. from Westminster Church (1420 W. Moss) and return early evening. Carla Montez and Wanda Lane will be your escorts.

A Day at Cantigny

McCormick and First Division Museums

The Robert R. McCormick Museum is a historic house that depicts the country home of a family that made the Chicago Tribune the "World's Greatest Newspaper." Priceless family heirlooms, Chinese and European works of art, and over 400 year-old antiques grace the 27 period rooms on display for the public.

The First Division Museum features two major "recreated" scenes in the World War One section. One includes an underground dug-out. In the dug out and most other areas, visitors are able to closely approach and even touch examples of the artifacts they see around them. Along the woodland trails surrounding the museum is a collection of major American tanks from 1917 to the 1980s, as well as several artillery pieces.

Cost: \$ 60.00 includes tour, lunch and Peoria Charter Coach Transportation. We will leave at 8:00 a.m. from Westminster Church (1420 W. Moss) and return early evening. Sue Manley and Susan Bock will be your escorts.
