

## INSTITUTE FOR LEARNING IN RETIREMENT

WINTERIM

2 0 0 5

Skies are gray, breezes are brisk, darkness comes early; Time for Winterim! My spirits rise when I think of joining you to learn about Ballet in Peoria, Chemistry Around the House, and so many more topics. Our Winterim curriculum committee co-chaired by Peggy Carter and Gil Nolde has once again provided us with a broad array of classes for our perusal. Choosing only four classes is difficult, but the rest is easy. Getting together to visit, learn, munch, and discuss, ILR members won't be experiencing the winter blahs from Tuesday, January 11, to Friday, January 14.

During Winterim, ILR members attend one class each morning and another in the afternoon. Tuesday classes are continued on Thursday, and Wednesday classes are continued on Friday. Break time in the bright atrium is both mid-morning and mid-afternoon each day.

Join us for the complimentary Kick-off Luncheon on the first day of class, Tuesday, January 11, at noon in the ballroom. On Wednesday, Thursday, and Friday, lunch will be available in the cafeteria, or you may bring your own.

Parking will be conveniently available just outside the Robert Michel Student Center as the Bradley students will still be on break.

Write on your new calendar that the Spring Labeling Party will be on Wednesday, January 26, at 9 am in the Executive Suite. All are welcome to attend.

Please share your ILR thoughts and ideas with me, and let me know if there is any way I can assist you.

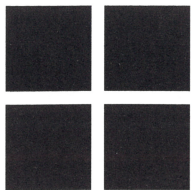

Warm up your winter with four days of wonderful awakening at Winterim 2005!

See you in class!

## ABOUT THE **INSTITUTE FOR LEARNING IN RETIREMENT**

### **What is the Bradley University Institute for Learning in Retirement?**

The Bradley University Institute for Learning in Retirement (ILR), founded in 1994, is an inspiring educational program for mature learners 55 and over. Providing opportunities to share knowledge and skills with others, the ILR offers a novel setting to interact with contemporaries and meet friends, old and new. The prerequisites, homework and grades you remember from school days are replaced with lively discussions, expert information, shared knowledge, and informative trips.

### **Who attends and supports the ILR?**

Over 300 mature learners from the tri-county area and all walks of life attend the ILR each term. ILR members believe that learning is a never-ending process. They view retirement as an opportunity to explore new ideas, investigate issues of interest, and form new friendships. Bradley University Continuing Education, in affiliation with the Elderhostel Institute Network, sponsors the Institute for Learning in Retirement.

### **When are ILR classes and learning trips offered?**

The ILR classes occur three times each year: fall winter, and spring. In the fall and spring the ILR is held on four consecutive Wednesdays. Computer classes are held on four consecutive Fridays. In the winter our ILR classes and computer classes are held on four consecutive days in January. The registration fee for each term is \$80.00. ILR learning trips are held throughout the fall, winter, and spring. Each trip has a unique registration fee.

### **Where is the ILR held?**

Most classes are held in our conveniently located and attractive Robert H. Michel Student Center on Bradley's campus. Our shuttle will transport you from your car to the front door of the Student Center where all the facilities are handicapped accessible. Computer classes are held in Continuing Education's computer classroom also located on campus. Learning trips are held throughout the region and state.
